

AGREEMENT ESTABLISHING PREVENTIVE MEASURES TO BE IMPLEMENTED FOR THE MITIGATION AND CONTROL OF RISKS FOR THE HEALTH IMPLIED BY SARS-COV₂ VIRUS DISEASE (COVID-19).

March 27, 2020

On March 24, 2020, the Secretary of Health agreed on a series of measures to prevent the spread of the COVID-19 virus, as well as to effectively control the epidemic and mitigate its transmission to the population.

The civil and military authorities and individuals, as well as the departments and entities of the three orders of government, shall be obliged to implement the preventive measures; it being understood that these consist mainly of social distancing and the implementation of the following measures:

- A) Avoiding attendance at workplaces, public spaces and other places frequented by groups of people at risk of developing serious illness.
- B) Temporary suspension of school activities at all levels until 17 April 2020

C) Temporarily suspend public, social and private sector activities involving the physical concentration, transit or displacement of people from March 24 to April 19, 2020.

- 1. Departments and entities of the Federal Public Administration will only perform essential functions; and
- 2. Companies, businesses, commercial establishments such as hospitals, clinics, pharmacies, laboratories, medical, financial and telecommunication services, information media, hotel and restaurant services, gas stations, markets, supermarkets, miscellaneous, gas transportation and distribution services, are encouraged to continue working as long as they do not correspond to spaces enclosed by agglomerations.

- D) Temporarily suspend until further notice, mass events and meetings and congregations of more than 100 people; and
- E) To comply with hygiene measures previously issued by the Secretary of Health.
